BLUE CHAMPION

The 26th Year

After a quarter of a century what do Conley's have to offer you? Certainly the experience of bulb growing that long should enable us to choose for you the best varieties, types and grades of bulbs. But more important we think is our record of constantly striving to give honest, fair treatment to our customers and ever to give them a little more than expected.

How we appreciate the multitude of letters we receive from our customer friends saying, "Thank you for the good bulbs." To you all we reply, "Thank you, and may your bulbs always grow and flourish and bring you much pleasure."

PAT AND LOLA CONLEY

SPECIAL COLLECTION OF DUTCH IRIS

This collection is made up of four splendid varieties, one each of dark blue, light blue, yellow and white—each variety labeled separately with its variety name. Large strong sure-to-bloom bulbs. It is a good collection, especially recommended for those who have never grown Dutch Iris.

10 each, 4 varieties (40 bulbs) \$ 2.00
25 each, 4 varieties (100 bulbs) \$ 4.75
100 each, 4 varieties (400 bulbs) \$18.00

The DUTCH IRIS

Very few of the bulb flowers have the strong appeal of the Dutch Iris because few if any are more beautiful or satisfactory. As cut flowers they are artistic and long lasting. In the garden they take over as the tulip season ends. The quality of the bulbs is most important with Dutch Iris and you may be sure that Conley's spare no effort or expense to supply top quality disease-free stock. With good bulbs the Dutch Iris are easy to grow, the culture being much the same as for tulips.

BLUE HORIZON. Beautiful soft light blue Iris. Large. 12 for 80c, 100 for \$6.00.

CAJANUS (Spanish). A tall graceful canary yellow iris—one of the most beautiful of all yellow irises. Late flowering. 12 for \$1.00, 100 for \$7.50.

DAVID HARING. A tall white iris of strong vigorous growth. The falls are pure white, the standards are lightly tinged with blue. A beautiful cut flower. 12 for 80c, 100 for \$6.00.

IMPERATOR. Many of the newer blues are more beautiful in form but none appears to be more vigorous and hardy than this reliable dark blue variety. Late. 12 for 80c, 100 for \$6.00.

WEDGWOOD (Tingitana Hybrid). A beautiful light Wedgwood blue iris that blooms with the Darwin tulips many days ahead of the other varieties listed here. Give it a warm sunny exposure for earliest flowering and give it extra protection in heavy freezing weather. The plant is especially strong and vigorous. 12 for 80c, 100 for \$6.00.

WHITE EXCELSIOR. Large attractively formed blossoms of purest white with small yellow mark. Stem of medium height. 12 for \$1.00, 100 for \$7.50.

Conley's Superior DAFFODILS

PACIFIC NORTHWEST GROWN DAFFODIL
BULBS . . . THE WORLD'S FINEST

The daffodil bulbs grown here in Western Oregon and Washington are superior in all respects to those produced elsewhere. Large, firm, smooth, disease-free bulbs that will thrive better in your garden and produce better flowers.

Of these superior Northwest bulbs we supply the finest grade—the big double nose bulbs that give two or more flowers the first spring. The list of varieties has been chosen with great care to give you daffodils in wide varieties but all of highest quality.

King Alfred

In spite of the introduction of a host of newer and supposedly better varieties King Alfred still reigns supreme in daffodil land. It is more used than all other varieties put together. It has all the good qualities a daffodil should have. The blossoms are large and of such excellent substance that they last and last either on the plant or when cut. The stems are tall and erect holding the blossoms upright when spring changes back to wintry storms.

The bulbs we supply are hand picked by experts for perfection. Whatever grade you choose the quality is the same—the best.

JUMBO MOTHER BULBS. Few people have seen bulbs like these. They are the largest and finest of the hundreds of thousands of King Alfred bulbs we handle. Each bulb will produce from three to five big flowers next spring.

3 for 80c, 12 for \$3.00, 100 for \$22.50

LARGE DOUBLE NOSE GRADE. Each large smooth carefully selected bulb will produce at least two flowers and what splendid big flowers they will be!

3 for 55c, 12 for \$2.00, 100 for \$15.00

No. 2 DOUBLE NOSE GRADE. Somewhat smaller than the Large Double Nose but otherwise perfect and over six inches around. They will produce from 18 to 24 blooms per dozen bulbs.

12 for \$1.25, 100 for \$9.35

PARROT TULIP FANTASY

BLUE
PARROT

Immense flowers of brilliant and unusual form—lacinated, ruffled and encrusted. Derived from the Darwin varieties, they have the strong stems and good growth of that type. Our top size bulbs will produce the largest possible flowers.

BLACK PARROT. A new tulip of rich velvety maroon-black. The large substantial blossoms have excellent Parrot form. Tall strong stems. Each 40c, 3 for \$1.10, 12 for \$4.00.

BLUE PARROT. Certainly this gorgeous bluish heliotrope variety is one of the best Parrot Tulips. Huge long lasting flowers with heavy petals. Because it is such a good grower the price is now very low. 3 for 35c, 12 for \$1.30, 100 for \$9.75.

DISCOVERY. A most beautiful new pink variety derived from Darwin Princess Elizabeth. Extra large blossoms of vivid rosy pink with lighter edges. Strong stems. 3 for 65c, 12 for \$2.30.

FANTASY. A sport of the ever-popular Clara Butt. The huge flowers have the same beautiful salmon-pink coloring accentuated by scarlet shadings and marked with green encrustations. The inside shows bright geranium red. 3 for 35c, 12 for \$1.30, 100 for \$9.75.

FIREBIRD. Just like Fantasy, which is its parent, except that the color is vermillion-red with scarlet glow. A large brilliant variety that makes excellent growth. 3 for 40c, 12 for \$1.50, 100 for \$11.25.

LAETITIA. This beautiful new variety from Holland is claimed to be the best of the pink Parrots. The much lacinated flowers are rose pink with red flushes, shading lighter at the edges. Very large flowers on tall strong stems. 3 for 65c, 12 for \$2.30.

ORANGE FAVORITE. Inside deep orange, outside glistening orange flushed salmon-rose with green encrustations. Huge oval flower. Called the most fragrant tulip. 3 for 40c, 12 for \$1.50, 100 for \$11.25.

PARROT WONDER. A wonderful new parrot—the largest offered. A sport of Pride of Haarlem, this splendid variety has the same rich carmine-red color and very tall stems. Each 30c, 3 for 85c, 12 for \$3.00.

RED CHAMPION. Bright crimson-red flowers intensely lacinated and frilled. When wide open the blossoms often measure 8 inches across. 3 for 40c, 12 for \$1.50, 100 for \$11.25.

SUNSHINE. Pure golden yellow with some green markings. Large flowers deeply lacinated, on strong stems of medium height. 3 for 40c, 12 for \$1.50, 100 for \$11.25.

VIOLET QUEEN (Opal Queen). A charming soft lavender-violet tulip with a distinct feathery appearance. As compared to Blue Parrot it is considerably lighter in color and more frilled. Extend the tulip season with this very late variety. 3 for 50c, 12 for \$1.80, 100 for \$13.50.

TULIP SPECIES *for Permanence*

These wild species and hybrids are outstandingly beautiful and unusual and once planted may be left in the ground for years. They should have good drainage and a chance to dry out in the summer time. These species exhibit a wide diversity of form, from little jewels like Chrysantha to the large brilliant Praestans.

RED EMPEROR (Fosteriana Hybrid). Most popular of all tulips today. The flowers are dazzling scarlet and very large. The brilliance is all the more noticeable because of the extreme earliness of flowering—at the time of the daffodils before even the early tulips are out. Conley's top size bulbs give the largest blooms obtainable. **Top size: 3 for 50c, 12 for \$1.85, 100 for \$13.85. First size bulbs** (as large or larger than the size usually sold): **3 for 45c, 12 for \$1.60, 100 for \$12.00.**

CHRYSANTHA. In the sun these lovely little flowers open wide, showing the pure gold interior. The outside is cherry red. Height 6 in. **3 for 35c, 12 for \$1.20.**

CLUSIANA (The Lady Tulip). A charming slender plant with pointed blossoms on stems about 12 in. high. The outer petals are cherry red, the inner ones are white. This variety has proven very satisfactory in the warm South as well as in the colder parts of the country. **3 for 45c, 12 for \$1.60.**

DASYSTEMON. A captivating plant with a six-inch stem bearing three to five little blossoms of canary yellow bordered in white. When opened in the sun they produce a delightful effect. **3 for 40c, 12 for \$1.50.**

FOSTERIANA AGAMEMNON. "Better than Fosteriana Red Emperor", is the opinion of our favorite Dutch bulb authority. Huge brilliant flowers of orange scarlet with black base. Taller than Red Emperor. Supply limited. **3 for 85c, 12 for \$3.00.**

EICHLERI. Large cups of brilliant glossy scarlet with large black base margined yellow. One of the best species for garden cultivation. **3 for 35c, 12 for \$1.20.**

KAUFMANNIANA (The Waterlily Tulip). The earliest of all tulips. Creamy-white marked on the outside with carmine red, center golden-yellow. Large blossoms of attractive shape, on eight-inch stems. **3 for 55c, 12 for \$2.00.**

KAUFMANNIANA VIVALDI. One of the outstanding new Kaufmanniana hybrids, having large flowers of brilliant red bordered yellow and heavy foliage beautifully marked with brown. **3 for 65c, 12 for \$2.40.**

PRAESTANS. Several flaming scarlet flowers on a stem. Large, early and striking. A very popular novelty. **3 for 55c, 12 for \$2.00.**

SAXATILIS. Graceful flowers of soft rosy-lilac and large golden-yellow center. 8 inch stems. **3 for 45c, 12 for \$1.70.**

RED EMPEROR TULIP

Peony-Flowered DOUBLE TULIPS

DOUBLE EARLY

These large short stemmed tulips are very effective for beds, borders and for porch boxes. Few bulbs can equal them for forcing in pots—colorful and long lasting.

DANTE. Perfect double flowers of rich blood-red. Excellent for bedding and very attractive when forced. **3 for 50c, 12 for \$1.80.**

ELECTRA. Distinct claret-red shaded carmine. Unusual and beautiful coloring. **3 for 40c, 12 for \$1.50, 100 for \$11.25.**
